WORK EXPERIENCE

Founder & Ecommerce Growth Strategist

January 2020 – Present

Flickkon Digital Agency · Remote (India / UK)

Full-service digital marketing agency managing up to 12 active AU and NZ client accounts simultaneously across ecommerce development, paid media, SEO, email, social, video content, and AI automation. Clients span furniture, fashion, toys, jewellery, wellness, homewares, food and drink, baby, and lifestyle. Additional markets: UK, USA, Canada, EU, South America, and Japan.

- **Shopify development:** Built and optimised 50+ Shopify and Shopify Plus stores with custom Liquid theme development, achieving 4.5% conversion rates against a 2–3% industry average. Provided strategic consultation on product positioning, analytics interpretation, and ecommerce scaling.
- **Ecommerce store management:** Managed day-to-day store operations for AU and NZ brands including order processing, inventory management, returns handling, fulfillment coordination, product catalogue updates, pricing and promotions, and performance reporting.
- **Paid media:** Managed monthly ad budgets of US \$3K–\$50K (approx. NZD \$5K–\$80K) per client across Google Ads and Meta, delivering an average 4× ROAS through audience segmentation, creative testing, and landing page optimisation. Scaled larger budgets for high-volume AU retail clients including Gainsville, a third-generation Melbourne furniture business.
- **SEO:** Tripled organic traffic for AU health and wellness brand within 12 months through technical SEO audit, structured content strategy, and Search Console-led refinement.
- **Email marketing:** Built Klaviyo and Mailchimp EDM campaigns for 15+ brands including behavioural segmentation, A/B tested sequences, and post-purchase automation flows.
- **Video and design:** Created and edited short and long-form video content using CapCut (expert) and Adobe Suite (intermediate). Produced brand assets, ad creatives, and social graphics using Canva (expert). Grew a pet niche YouTube channel to **10,000 organic subscribers in 45 days** through a Shorts-led strategy (70% Shorts, 30% long-form) and platform SEO.
- **Social media:** Planned and executed organic and paid social strategies across Instagram, TikTok, Facebook, YouTube, and Pinterest, managing content calendars, community engagement, and brand guidelines. Briefed and reported on influencer and creator campaigns for AU and NZ brands.
- **AI automation:** Built GPT-powered automation workflows for content generation, ad copy, and customer support. Implemented n8n and Zapier systems reducing client content workload by 60% within 60–90 days.
- **Retail research & sourcing:** Conducted retail market research and offline supplier identification, including product quality assessment and supplier vetting, supporting client product strategy across consumer goods categories.
- **Team leadership:** Led and coordinated a cross-functional team of 6 across design, development, paid media and content, defining KPIs, allocating resources and ensuring delivery across 12 active ecommerce accounts.
- **Client management:** Coordinated cross-functional teams of designers, developers, and copywriters per project. Delivered client communication, stakeholder presentations, and agile project management across AU, NZ, UK, USA, Canada, EU, South America, and Japan.
