PROFESSIONAL SUMMARY

Shopify Expert Partner with six years of agency experience managing end-to-end ecommerce operations, CRO programmes, and full-funnel digital marketing for 50+ AU and NZ consumer brands across fashion, wellness, furniture, and lifestyle. Proven track record owning daily trading, promotional calendars, platform management, and performance strategy for brands including Gainsville (AU furniture), Heiress Beverly Hills (US luxury fashion), Equestroom (global equestrian retail), and MADE FREE (US sustainable DTC). Managed monthly ad budgets of AUD \$4K to \$60K per client delivering average 4x ROAS across Google Ads and Meta. Consistent 4.5% Shopify conversion rate against a 2 to 3% industry average through CRO-led theme development, UX auditing, and A/B testing. Ready to bring this full-stack commercial expertise in-house to one brand.

KEY ACHIEVEMENTS

- Lifted Equestroom conversion rate by 1.5% and rebuilt PageSpeed from 30 to 87 through a full Shopify theme overhaul, CRO audit, and UX redesign of collections and PDPs.
- Delivered 2% conversion lift and 3x organic traffic growth for MADE FREE over three years through product page CRO, UX redesign, site speed optimisation, and SEO strategy.
- Managed Heiress Beverly Hills ecommerce for one year: rebuilt PDP layouts, elevated luxury UX aesthetic, and delivered bespoke Shopify integrations for the US premium DTC market.
- Took Ativafit from minimal search visibility to page 1 rankings for high-intent fitness terms through SEO, blog content strategy, and CRO improvements.
- 4.5% Shopify conversion rate maintained across multiple client stores against a 2 to 3% industry average through custom theme development and CRO strategy.
- Average 4x ROAS across Google Ads and Meta campaigns managing AUD \$4K to \$60K monthly budgets. AUD \$95K incremental revenue for Gainsville within 12 months without increasing paid media spend.
- 60% reduction in client content workload within 60 to 90 days through GPT-powered n8n and Zapier automation. 10,000 YouTube subscribers in 45 days from zero.
- 50+ brands supported across AU, NZ, UK, USA, Canada, EU, South America, and Japan over six years.

WORK EXPERIENCE

Founder and Ecommerce Growth Strategist

Flickkon Digital Agency | Remote (India) | January 2020 to Present

Full-service digital marketing agency managing up to 12 active AU and NZ client accounts simultaneously across ecommerce operations, CRO, paid media, SEO, email marketing, social, video content, and AI automation. Clients span fashion, wellness, furniture, homewares, food and drink, baby, jewellery, and lifestyle. Additional markets: UK, USA, Canada, EU, South America, and Japan.

- **Ecommerce operations:** Managed day-to-day store operations for AU and NZ brands: daily trading oversight, promotional calendar management, inventory and fulfillment coordination, product catalogue updates, pricing and promotions, and performance reporting.
- **CRO and Shopify:** Rebuilt Equestroom Shopify theme mobile-first over two years: PageSpeed 30 to 87, conversion rate +1.5%, top 5 SEO rankings. Delivered 2% conversion lift for MADE FREE through product page CRO, UX redesign, and site speed work. Built and optimised 50+ Shopify and Shopify Plus stores with custom Liquid theme development achieving 4.5% conversion rates.
- Managed Heiress Beverly Hills for one year: redesigned collection and PDP layouts, elevated luxury UX, and delivered custom integrations. Improved Ativafit from near-zero to page 1 rankings for high-intent fitness terms through SEO and CRO.
- **Paid media:** Managed AUD \$4K to \$60K monthly ad budgets per client across Google Ads and Meta, delivering average 4x ROAS. Generated AUD \$95K incremental revenue for Gainsville within 12 months without increasing paid media spend.
- **SEO:** Tripled organic traffic for AU health and wellness brand within 12 months through technical SEO audit, structured content strategy, and Search Console-led refinement.
- **Email marketing:** Built Klaviyo, Omnisend, and Mailchimp EDM campaigns for 15+ brands including behavioural segmentation, A/B tested sequences, and post-purchase automation flows.
- **Team leadership:** Led a cross-functional team of 6 across design, development, paid media, and content. Defined KPIs, allocated resources, and managed delivery across 12 active ecommerce accounts.

- **AI and automation:** Built GPT-powered automation workflows via n8n and Zapier reducing client content workload by 60% within 60 to 90 days. Built Python scripts for data processing and automated reporting.
- **Social and content:** Planned and executed organic and paid social strategies across Instagram, TikTok, Facebook, YouTube, and Pinterest. Grew a YouTube channel to 10,000 organic subscribers in 45 days from zero.
